

1st December 2021

Dear Parishioners and Friends,

My Vaccine Pass

On the Masses which require a Vaccine Pass, we will be sighting them only. If you need assistance to get your **My Vaccine Pass**, the Pharmacies which have provided vaccinations will be able to assist you to get a hard copy.

Traffic Light System

As we begin the Traffic Light System on Friday, the Raglan Mass and the Vigil Mass at St Columba's will be limited to 50 people with no proof of vaccination required.

The Vigil Mass at St Columba's is prioritised for those who are not vaccinated or prefer smaller gatherings.

The Sunday 8.00 am and 10.00 am Masses at St Columba's will require proof of vaccination, e.g. **My Vaccine Pass**.

Bookings are no longer required for Sunday Masses but this will change for the Christmas Masses.

The weekday Masses are also limited to 50 people with no proof of vaccination required.
