

Dear Parishioners and Friends,

Cleaning of the church

With the new carpets in the church, it may be time to renew this ministry of cleaning the church and inviting new people to join the list of people who already clean the church.

Firstly, thank you to those who do clean the church. It would be good to have a discussion and see who is available to make up teams of people who clean the church and create a new roster. It will also be good to have someone who oversees the roster and coordinates who should be cleaning which area each week. We can also have a discussion about our equipment and what needs to be cleaned each week.

The cleaning of the church involves: the church including windows, the library, family room, sacristy, the sacristy toilet, toilet block and entrance to the church and sacristy.

Meeting: 10.00 am on Saturday, 30th April.

If you are unable to attend this meeting and would like to clean the church, please send me an email so you don't miss out.
